

# Cirrus Complete

## The worry-free way to buy a digital display

At Cirrus, we believe in keeping things simple. That's why Cirrus Complete, a comprehensive hardware and service warranty for your display, is offered as an add-on with your purchase or included with an outdoor signage subscription. With Cirrus Complete, you'll have peace of mind that your display is fully protected with a robust 5-year hardware and labor warranty. You can expect no-cost maintenance, on-site replacement parts, and service coverage to maximize your display uptime, eliminating unexpected costs.

## What's included

**With our advanced technology and artificial intelligence built into our control system, Cirrus monitors the health of your entire display in real-time, 24/7.** If there appears to be an issue with a module or controller for your display, Cirrus will take a proactive approach to troubleshoot and resolve the issue remotely or dispatch a service technician to fix the problem.

With our 5-year hardware and labor warranty, you get the confidence to know that in the rare case something goes wrong, you're covered. From parts to service, Cirrus Complete is there to protect your display. No matter the issue, we'll get you back up and running in no time at no additional cost to you.

If you're ready to go digital, we're here to help. Contact us today to talk about what you want to accomplish with a digital sign.
